

Dr Michael Dorner

TMC Lawyer

Dr Dorner is a lawyer in the Munich office of CMS Hasche Sigle in the field of TMC (technology, media and communications) since 2011. He regularly advises national and international clients across a wide range of industry sectors. His practice includes complex IT transactions, the licensing of software and technology, as well as emerging legal issues of the digital economy.

Special Focus

Dr Dorner has a special focus on the protection and trading of industrial data. He is author of several specialist publications, including a work on the law and economics of know-how protection. Dr Dorner is member of several expert groups dealing with the question of 'data ownership'. He is a regular speaker on national and international IT conferences.

Academic Credentials

Dr Dorner studied law at the University of Munich (Ludwig-Maximilians-Universität) and the University of Verona (Università degli Studi di Verona, Italy). He obtained his doctorate with a thesis on the protection of know-how as a research fellow and scholarship holder of the Max-Planck-Institute for Innovation and Competition in Munich.
